The Lions Pride Campaign was established to secure the future of the Wisconsin Lions Foundation (WLF) projects including Wisconsin Lions Camp. Lions Camp is a place like no other, serving campers with special needs; visual, hearing, cognitive and diabetes to be with others like themselves. Some 68,000 campers have attended Lions Camp FREE ... about 1,500 yearly from across Wisconsin, 248 from the Wild Wings Sportsman's Club Area in 2009.

Funds raised at this event will support the Lions Pride Campaign's effort to ensure Lions Camp and the other projects of the WLF are available for future generations. For more information visit www.lionspride.org or call 715.677.7000.
